Share your experiences of not working

Complete an online survey - just a few minutes to complete

Completely voluntary and totally confidential

We know that there can be lots of different reasons why someone might not be working, and that everyone's story is different. Your experience will be a valuable contribution.

Scan the QR code below to be taken to the survey.

You will receive a £5 shopping voucher as a thank you for completing this survey. You can leave your contact details at the end of the survey, and the voucher will be sent to you.

By sharing your experience, you'll help ensure that future support in Cumbria is shaped by the people who know best what works and what needs to change.

The survey is completely voluntary and confidential and takes just a few minutes to complete.

You don't have to give your name, and your answers won't be shared with anyone outside the independent research team.

The Council, DWP, and any other support organisations, won't know what you have said. Taking part will not impact on any support you receive from anyone.

This work has been commissioned through funding from the Work and Health fund as part of The Barrow Delivery Board Transformation Fund. It will be carried out by GC Insight across both Westmorland and Furness Council and Cumberland Council.
