Join on Zoom: **Thursday 25th September 2025**
at 12:30-13:30

Talk 1

"Which Respiratory Viral Vaccines Should We Be Giving to Adults?"

Professor Peter Openshaw

*Professor of
Experimental Medicine,
Imperial College
London; former
President of the British
Society for Immunology*

A respiratory physician and mucosal immunologist specialising in viral lung infections and vaccines. He served as President of the British Society for Immunology and has advised the UK Government on respiratory virus threats through its expert groups on emerging infections and scientific emergencies.

Talk 2

"Morecambe Bay Respiratory Network: Enhancing COPD Care"

Dr Tim Gatheral

*Consultant Respiratory
Physician, University
Hospitals of
Morecambe Bay NHS
Trust; Senior Clinical
Lecturer, Lancaster
University*

A consultant respiratory physician and senior clinical academic focused on integrated respiratory care across Morecambe Bay. As Clinical Lead for the Morecambe Bay Respiratory Network, his work includes developing integrated pathways and services for chronic obstructive pulmonary disease and related conditions.
