

Warm Spots	
<i>Warm Spots are safe and friendly public places where people of all ages can go to comfortably spend time with others and meeting new people in their community. In addition, they often have opportunities to connect with relevant support services in the local area. Importantly, they can help reduce the impact of social isolation/loneliness on that local level too.</i>	
Organisation	Webpage
Warm Spot links from Cumberland Council	https://www.cumberland.gov.uk/health-and-social-care/cost-living-support/find-local-support-cost-living-and-welfare?f%5B0%5D=localgov_directories_facets%3A277
Warm Spots can also be found in local libraries – this link is from Cumberland Council for their local libraries	https://www.cumberland.gov.uk/libraries-and-archives/find-library-near-you
Warm Spot links from Westmorland and Furness Council (This link includes libraries too)	https://www.westmorlandandfurness.gov.uk/warmspots
