

Infant Loss

We know that, sadly, many families in the North Cumbria area have experienced pregnancy loss.

If you have experienced a loss we would like to learn what helped you most, and what could have helped support you more.

We would be very grateful if you would complete our questionnaire.

Please either click the link or follow the QR code. If you would like a copy of the questionnaire emailed to you please contact our project lead.

All information will be treated anonymously.

We know that this is very difficult to talk/think about. Please only answer what you are comfortable with and please do look at the resources for support linked at the end of this questionnaire.
