

Help improve health research for people with leukaemia

NIHR | National Institute for Health and Care Research

Patient Engagement in Clinical Development (PECD) Service

Do you have experience of acute myeloid leukaemia (AML)? We would like to hear your thoughts on a trial for a new AML treatment.

1 Who we need

We are looking for **6 to 8 patients or carers** who:

- Live in the **UK** and are **18+**.
- Have **lived experience of AML** or other acute leukaemias.
- Can **use Zoom** to join an online focus group.
- Are happy to **discuss their lived experience** with others.

2 What you will do

You will join a focus group to discuss a new research study. In the meeting you will:

- Tell the study team about the **impact AML has on your life**.
- Listen to the **company's plans** for their upcoming research.
- Share your thoughts and feedback on how to **improve the trial**.

3 Time involved

- The meeting will take place on **19, 21 or 22 January 2026**.
- It will last **2.5 hours** including a short break.
- The time and date will be chosen based on public partner availability.

4 Payment

We value your time and expertise.

You will receive a payment of **£67.50** through bank transfer.
