To book a place visit our website at adultlearningcumbria.org to complete an online enrolment form, speak to one of the Penrith Adult Learning Team on **07468709606** or email penrithadultlearning@westmorlandandfurness.gov.uk

Cumbria Adult Learning offers free family learning courses in core subjects - maths and English, courses focusing on mental health and wellbeing, enhancing achievement for all. Experienced teachers deliver these courses. This collaborative approach can add four months' progress annually, according to the Education Endowment Foundation. It also helps schools meet Ofsted requirements by engaging parents in their children's education. Interested? Get in touch!

'Family Learning is a real strength in our school and we love it!'
