

Cumberland Cares
Co-operative

**Could you support people
in your community?**

**We can help you set
up your own
micro-enterprise.**

If you have an idea for a small business that could support people in your area, we can help you get started.

Whether you have the skills to:

- Care for people in their homes
- Host community activities
- Run fitness sessions
- Help people with learning disabilities to learn new things
- Provide company and connection
- Help people to keep their homes clean and declutter.

Or something else that could help people in need of support, if you're based in Cumberland we want to hear from you.

Be your own boss. Make a difference.
