Talk 1

"Data-Driven Improvements in Emergency Care"

Prof Julian Redhead

*Medical Director,
Imperial College
Healthcare NHS Trust,
and National Clinical
Director for Urgent and
Emergency Care, NHS
England*

Julian is a consultant in emergency medicine and a senior NHS leader. Alongside his Trust role at Imperial, he advises nationally on urgent and emergency care, including 999, 111 and A&E services, and how these services can improve under sustained pressure.

Talk 2

"Emergency Services in Cumbria"

Dr Claire Gray

*Emergency Medicine
Consultant, North
Cumbria Integrated
Care NHS Foundation
Trust, and Urgent and
Emergency Care
Collaborative Chair.*

Claire is an emergency medicine consultant at the Cumberland Infirmary. She helps lead work to improve urgent and emergency care locally, including development of the new Urgent Treatment Centre in Carlisle, designed to expand capacity and help patients be seen in the right place, by the right team.
