Understanding & Tackling Digital Exclusion

Interactive Workshop for the Voluntary and Community Sector (FREE)

Digital access is now essential for everyday life — from managing money and healthcare to staying connected. But for many people, the digital world still feels out of reach.

Workshop date: Wednesday 24 June 2026

Time: 09:30am – 1:30pm (free lunch included)

Venue: Oval Centre, Salterbeck, CA14 5HA

Why attend?

- Learn what digital exclusion looks like in our communities
- Identify who is most affected and the reasons behind digital barriers
- Understand the real-world impact on health, wellbeing and finances
- Discover practical steps your organisation can take to support digitally excluded people
- Explore local tools, resources, and Digital Champion training to help make a difference
- You'll receive a CPD certificate on completing the workshop

This session blends lively discussion, real-life examples, and hands-on activities to help you better recognise digital barriers and respond confidently to the needs of your beneficiaries.

Registration is essential
