CREATING NEW FOLKLORE

SATURDAY 15TH AUGUST

10AM – 4PM | SPINNING BARN, WILD HAWESWATER

Explore the contemporary Cumbrian landscape, wildlife and deer management through the lens of traditional folklore.

Collaborate and create with our artist in residence, Rachel Shore, and develop a new folk story which celebrates the native wildlife and delves into the need to restore natural balance in the environment.

ARTISTIC EXPERIMENTS

SESSION ONE

WEDNESDAY 19TH AUGUST

SESSION TWO

THURSDAY 27TH AUGUST
