

# KENDAL WALKING FESTIVAL

Free guided walks at Lowther on Sunday 30<sup>th</sup> August 2026

## Balance in the Landscape

Yanwath Woods, 11am - 12pm

Join Jo Sheehan from Cumbria Connect, to learn about the role of deer in shaping our landscapes.

These animals have moved through our fells, valleys and woodlands for centuries and remain part of the living character of the Lake District today. Jo will discuss how deer management is a key part of nature recovery, helping to restore resilient woodlands and ecosystems for the future.

## Lowther by Trampler

Lowther estate, 1:30pm - 4:30pm

**Delve into Lowther's fascinating history & conservation work with Ian Jack, Lowther's retired Forester.**

From castles and fortresses, to woodlands and rivers, journey through the Lowther estate's evolving landscape. This walk is specifically designed for all-terrain mobility scooter\* users and their families, friends and / or carers.

\*Please note, you must provide your own all-terrain mobility scooter
