WEST CUMBRIA RIVERS TRUST

Walk and Talk 2026-2027

Walkmill Community Woodland

The hidden kingdom of Fungi

Sat 17 Oct 2026 • 10am-1pm

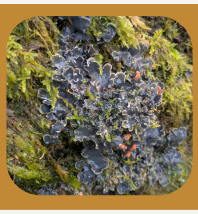

Step into the mysterious kingdom beneath our feet! Join us for a friendly, jargon-free introduction to the fascinating world of fungi.

The hidden life of Lichens

Sat 20 March 2027 • 10am - 1pm

Uncover the incredible world of lichens hiding in plain sight! Join us for a friendly, jargon-free introduction to these fascinating, air-cleaning organisms that coat our trees, rocks, and soil.

Reptile & Amphibian discovery

Sat 24 April 2027 • 9am- 12

Join the Cumbria Amphibian and Reptile Group on a guided search through the undergrowth to spot adders, native amphibians, and reptiles in their natural habitat.

Restoring our rivers

Wed 26 May 2027 • 10am - 1pm

Explore the site with West Cumbria Rivers Trust for a guided look at the river restoration features installed here and learn how these changes boost river health.

Forage for food

Fri 18 June 2027 (tbc) • 10am - 1pm

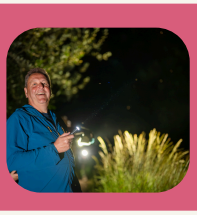

Join Wild Food UK to learn the art of foraging and uncover nature's edible treasures

Twilight Bat Walk

Tues 24 August 2027 • 8.30pm - 10pm

Head out into the gloaming to spot bats in action – a must-book, sell-out adventure!
